## Weather Light 55W 12V PX26D

### Product family benefits

- Optimized for rough weather conditions (such as fog, rain, snow)
- On most difficult off-road terrains
- High contrast
- Better visibility
- Remarkable illumination

### Product family features

- Yellowish white light
- High performance off-road lamp
- Color temperatures of up to 2,600 K
- More power
- Rugged and versatile

<b>Product information</b>	
Product type (off-road vs. on-road)	Off-road
Application (Category and Product specific)	Halogen headlight lamp

<b>Electrical data</b>	
Power input	58 W
Test voltage	13.2 V
Nominal wattage	55.00 W
Nominal voltage	12.0 V

<b>Photometrical data</b>	
Luminous flux	1500 lm
Luminous flux tolerance	±10 %

<b>Dimensions &amp; weight</b>	
Product weight	10.70 g
Length	59.0 mm
Diameter	12.0 mm

<b>Lifespan</b>	
Lifespan Tc	550 h
Lifespan B3	330 h

<b>Additional product data</b>	
Base (standard designation)	PX26d

<b>Capabilities</b>	
Technology	Halogen lamp

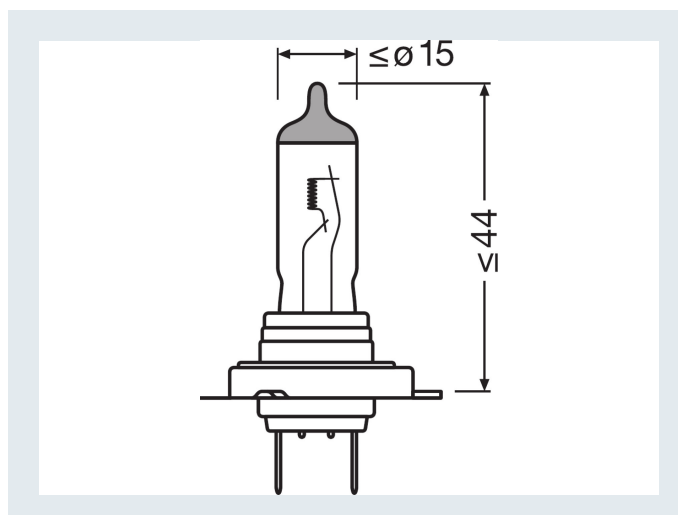

<b>Certificates &amp; standards</b>	
ECE category	H7 base

<b>Logistical data</b>	
Order reference	N499W

<b>Environmental information</b>	
Date of Declaration	06-03-2024
Primary Article Identifier	4052899553286
Candidate List Substance 1	No declarable substances contained
Declaration No. in SCIP database	No declarable substances contained

Packaging Information

Packaging description	EAN	Packaging type	Amount of article
NEOLUX N499W-2SCB	4052899553286	Folding box	2

#### Legal advice

These products do not have ECE approval. This means they must not be used on public roads in any exterior application. Use on public roads leads to cancellation of operating license and loss of insurance coverage. Several countries do not allow sale and use of these products. Please contact your local distributor for information on the availability in your country.
