## LED Headlamp 6000 K 73.0 mm PX26d

The NEOLUX LED Headlamps upgrade vehicles with the latest LED technology that features a cold white color temperature of 6,000 K. The NEOLUX LED Headlamps design makes easy replacement with the most common traditional lamps H4 and H7 possible and provide a homogenous and modern look. Through an even light distribution and a clearly defined cut-off line a better visibility on the road is enabled.

### Product family benefits

- Upgrade with the latest LED technology
- Modern look
- Better visibility
- Longer replacement cycle
- Simple Installation

### Product family features

- Contemporary, cold white color temperature with 6,000 K
- High brightness
- Even light distribution
- Long lifetime
- Convenient replacement for traditional H4, H7 lamps

<b>Product information</b>	
Product type (off-road vs. on-road)	Off-road $\triangle$ H7
Application (Category and Product specific)	Headlights

<b>Electrical data</b>	
Power input	18 W
Test voltage	13.2 V
Nominal wattage	18.00 W
Nominal voltage	12.0 V

<b>Photometrical data</b>	
Color temperature	6000 K
Luminous flux	1000 lm
Luminous flux tolerance	$\pm 20$ %
Light color LED	Cold white

<b>Dimensions &amp; weight</b>	
Diameter	14.0 mm
Product weight	80.00 g
Length	73.0 mm

<b>Additional product data</b>	
Base (standard designation)	PX26d

<b>Capabilities</b>	
Technology	LED

<b>Certificates &amp; standards</b>	
ECE category	$\triangle$ H7

<b>Logistical data</b>	
Order reference	N499DWB

<b>Environmental information</b>	
Date of Declaration	07-03-2024
Primary Article Identifier	4062172168694
Declaration No. in SCIP database	In work

<b>Packaging Information</b>			
Packaging description	EAN	Packaging type	Amount of article
NEOLUX			
N499DWB	4062172168694	Folding box	2

**Legal advice**

These products do not have ECE approval. This means they must not be used on public roads in any exterior application. Use on public roads leads to cancellation of operating license and loss of insurance coverage. Several countries do not allow sale and use of these products. Please contact your local distributor for information on the availability in your country.
