LED Headlamp 6500 K 58.0 mm PX26d

Thanks to a very compact socket design, these new lamps allow a high compatibility and an easy installation. The pair of lamps comes with a color temperature of 6 500 K – providing a stylish upgrade with Cool White LED light and a superior brightness. The latest LED technology guarantees a long service life.

Product family benefits

- Easy plug & play installation with optimized compatibility - no adapters and caps needed
- Higher performance and high-level light output
- Better visibility thanks to daylight effect
- More light allows to see farther and therefore react sooner. Signs, obstacles and hazards can be recognized sooner
- Reduced glaring thanks to an optimized light distribution

Product family features

- Ultra compact LED replacement for conventional H7/H18 high and low beam lamps as socket solution
- Fast installation thanks to the optimized compatibility (no adapters or caps needed)
- Cool White color temperature
- Superior brightness

Product information	
Product type (off-road vs. on-road)	Off-road \triangleq H7/H18
Application (Category and Product specific)	Headlights
Electrical data	
Test voltage	13.2 V
Nominal wattage	11.60 W
Nominal voltage	12.0 V
Photometrical data	
Color temperature	6500 K
Luminous flux	1100 lm
Luminous flux tolerance	± 25 %
Light color LED	Cool white
Dimensions & weight	
Diameter	13.5 mm
Product weight	24.00 g
Length	58.0 mm
Capabilities	
Technology	LED
Certificates & standards	
ECE category	\triangleq H7/H18
Environmental information	
Date of Declaration	07-12-2023
Primary Article Identifier	4062172316361 4062172326261
Candidate List Substance 1	Lead
CAS No. of substance 1	7439-92-1
Safe Use Instruction	The identification of the Candidate List substance is sufficient to allow safe use of the article.
Declaration No. in SCIP database	7df39c1d-6889-4887-895a-f7ba42c0d5f5

Packaging Information			
Packaging description	EAN	Packaging type	Amount of article
NEOLUX			
N499DWBS-2SCB	4062172326261	Soft cover box	2

Legal advice

These products do not have ECE approval. This means they must not be used on public roads in any exterior application. Use on public roads leads to cancellation of operating license and loss of insurance coverage. Several countries do not allow sale and use of these products. Please contact your local distributor for information on the availability in your country.

Safety advice

Application advice: For more detailed application information and graphics please see product datasheet and user manual.
